+
+ CONTENT EDITOR

[F	Rich text editor toolbar with formatting options]
is ir	the ever-evolving world of SEO, understanding metrics s crucial for success. This guide explores the most mportant SEO metrics in 2025 and how to use them mfectively.
#	# Domain Rating (DR)
s	oomain Rating, or DR, is Ahrefs' metric that measures the trength of a website's backlink profile. In 2025, DR emains one of the most important indicators of a site's uthority and potential to rank well in search engines.
